You may remember I relayed to you a request from Kelly Johnson the last time he talked with me on the telephone that he be given a single contact point in DPD-DD/P concerning [REDACTED]. He explained that [REDACTED] was his normal point of contact, that [REDACTED] was away, and that he didn't know who to call. Would you see that he is given such a point of contact.

1. This is now set up.
2. Kelly advised. He will be in Wash 7 & 8 April.
